

Land O' Lakes High School IB Parent Link ~ Committee Interest Form 2014-15

With the new school year approaching quickly, the *Land O' Lakes High School IB Parent Link* is growing to strengthen the level of parent support and networking and to continue playing a key role on behalf of Pre-IB and IB students, teachers, and families at Land O' Lakes High School. We realize that schedules are busy, but with a varied list of past and prospective activities, we encourage everyone to volunteer or provide other support. Guidance will be provided to all volunteers – no experience required...just a heart to help!

There are some traditional activities parents have sponsored in the past and some new activities and ideas for the coming year. If you have any questions or would like to get further involved to make this Pre-IB/IB school year a great success, please select from the options below.

- Mr. Morgenstein, IB Coordinator
