Axis 360 eBooks with Android™ Devices
Including Samsung devices, Nook HD and HD+, Google tablets and other Android-based devices

axisReader

To check out ebooks

The **axisReader** app is your virtual circulation desk allowing you to browse, discover and checkout Axis 360 ebooks at your library. The **axisReader** app also allows you to download and read EPUB or PDF formatted ebooks directly in the app.

Visit the Google Play Store and search for **axisReader** to download and install the app. Authorize with your Adobe ID.

In your **axisReader** app, tap *Find a Library* at the bottom of the screen and browse to locate your library.
• Tap the plus sign on the left to save your library to the *My Libraries* list.
• Tap your library's name to view the Axis 360 collection.

Read EPUB & PDF eBooks with axisReader

Browse your library's collection to find and checkout ebooks.
• Tap a cover and select a download format (EPUB or PDF). Tap *Checkout Now*.
• Enter your Library Card ID and PIN (if a PIN is required by your library).

A confirmation message will appear after your successful checkout.
• Tap *Download* and choose *Read Now* to open and read your EPUB or PDF ebook right in the **axisReader** app.

Blio

To read Blio ebooks

Visit the Google Play Store, search for **Blio** and download the app. Create your account with an email and password.

Step 1
Open your **axisReader** app.
• Tap on your library in the *My Libraries* list.
• Tap your library's name to browse their Axis 360 collection.

Step 2
Find the **Blio** title you would like to check out.
• Tap the title, select **Blio** and choose *Checkout Now*.
• Enter your Library Card ID and PIN (if a PIN is required by your library).
• Enter your **Blio** username and password.
(Your credentials will be saved after the first log in.)

Step 3
A confirmation message will appear after your successful checkout.
• Open your **Blio** app.
• Tap *Download*.
• Tap the title cover to begin reading.
