

May 2019 AP and IB Examinations

Attendance Note: For the next several weeks, many exams will be taking place across our school campus. Students are to be aware of the schedules posted outside of Student Services and/or distributed in classrooms. Other than when scheduled for FSA, End of Course, AP, IB, District Finals or other assessments, *students are expected to be in class*, prepared and ready to meet their teachers' requirements. All attendance rules and procedures remain in effect. We remind our students and families that every day is a school day. Thank you.

Arrive early so you can be at the gathering location when we are ready to seat you. Note times and locations carefully.

Remember: No electronic devices of any kind other than approved calculators for those examinations requiring/allowing them. Leave everything else off and in your car, locker, house, another classroom or location. Merely having unapproved devices in the exam room can lead to your exam being invalidated and other consequences. Do not let this happen!

Finally, every one of us here at Land O' Lakes High School believes in your ability to achieve great things on your AP and IB exams. Rest, study, eat a healthy meal and stay hydrated, and bring your best each day. We look forward to seeing you on your scheduled test days.
