

Land O' Lakes High School New Student Orientation August 19, 2020

Who: All incoming Freshman and any new to LOLHS 10-12 grade student who has not previously attended.

We are excited to meet our new GATORS tomorrow. Please remember that students are only allowed to bring one guest when they come to their orientation session. EVERYONE must be wearing a mask on campus at all times. If you have not registered for a session, please do so in the attached link. You only need to take one slot for the student and guest. Please do not complete two slots.

Session times:

Session 1 11:30-12:15

Session 2 12:30-1:15

Session 3 1:30-2:15

<https://www.signupgenius.com/go/30e0944afa92fa1ff2-lolhs>

Steps to take prior to coming on campus:

1. Log in to MyStudent and print your schedule. Make sure you are able to see room numbers when you print so you know which classes to visit. Each session is 45 minutes so it will be a quick chance for you to pop in and see supply lists or important information shared by your teachers. We will NOT be printing schedules on campus.
2. Pay your fees on Acorn.

PLEASE do not email your school counselor for schedule change request. Please complete the attached Mach form and they will be sent directly to your counselor. We know that there are issues with schedules, and we will be continuing to address these throughout the week.
